Pancake Flipping Counting to 10 Activity

You will need:

- Pancake Cut-Outs
- frying pan
- plastic spatula

Instructions:

- Print, cut and laminate the pancakes.
- Arrange them facing upwards on a table top or floor.
- Ask your child to count how many fruits are on each pancake.
- After counting the fruit, the children must scoop the pancake up using a spatula and place it into a frying pan. Can they have a go at flipping the 'pancake'?
