What is this resource and how do I use it?

This easy-to-make Origami Accordion Giraffe is a fun craft activity that you and your child can do together. Model each step, encouraging your child to follow and try to make as much of the craft themselves as possible. You'll end up with an impressive piece to display in the house and your child will feel great about their accomplishment.

What skills does this practise?

Fine Motor Skills

Creativity

Topic Knowledge - Animals

Origami Accordion Giraffe Craft

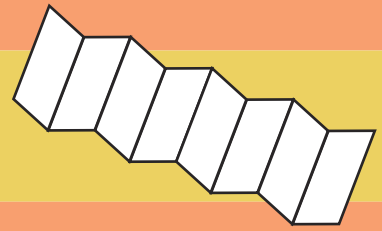

You will need:

- coloured A4 paper
- glue
- scissors
- Giraffe Template (printed)

Instructions:

1. Cut out the pieces of your Giraffe Template.

2. Accordion fold along the neck of your giraffe.

3. Glue the final accordion fold of the wider end of your giraffe's neck to the bottom of your piece of paper.

4. Now, position the last accordion fold at the other end of the page so that the folds along the neck are visible but not too squashed. Glue in place.

5. Fold the tab on your giraffe's head where marked.

6. Glue the tab to the top of the neck so the head is free to wobble on the piece of paper.

7. Display your amazing Accordion Giraffe!
